Sir,

I have the honour to state that a balance of Rs 2,000/- is outstanding under the 'Town Improvement Fund' in the Chintamani Municipality from the year 1929-30 Records and registers relating to these have not been produced to ascertain the purpose for which the grant was given and whether the requirements of the grant have been complied with, though the omission is being pointed out in successive audit notes since then As there is no justification to leave the unutilised amount with the Municipality, I request you to bring the same to the notice of Government for issue of orders for surrendering the amount in question to Government

From

To

The Secretary to Government,
Revenue Department, Bangalore.

Sir,

Subject - Details for the Town Improvement Grant of Rs.2000/- outstanding in the accounts of the Chintamani Municipality from the year 1929-30.

With reference to your letter No.L.1813 dated 1-8-1947 asking me to furnish certain information to the Deputy Commissioner, Kolar, on the above subject, I have the honour to state that the above matter was reported to Government in this office letter No.191/CLAD dated 18-12-1945 as the sum of Rs.2,000/- outstanding as a debt head balance under the "Town Improvement Fund" in the Chintamani Town Municipality and no details indicating the purpose for which the grant was made were available. The fact that it was so outstanding was first noticed during local audit of accounts for the year 1929-30 and attempts made in my office to obtain information regarding the grant have proved infructuous and any further attempt to ascertain the purpose for which the grant was given is not likely to yield any better results. As the grant was made some 17 years ago and the records and registers on the subject are not traceable, I suggest that the Chintamani Municipality may be permitted to finally adjust this balance outstanding under the Debt Head by transfer crediting it to a head of revenue in the Municipal accounts and allowing it to be

merged in the general balance of the Municipal Funds.

I have the honour to be,
Sir,
